Into the Woods Audition Form

Synopsis

James Lapine and Stephen Sondheim take everyone's favorite storybook characters and bring them together for a timeless, yet relevant, piece... and a rare modern classic. The Tony Award-winning book and score are both enchanting and touching.

The story follows a Baker and his wife, who wish to have a child; Cinderella, who wishes to attend the King's Festival; and Jack, who wishes his cow would give milk. When the Baker and his wife learn that they cannot have a child because of a Witch's curse, the two set off on a journey to break the curse featuring a multitude of storybook favorites, like Red Riding Hood, Rapunzel, and a very unhappy Giant . Everyone's wish is granted, but the consequences of their actions return to haunt them later with disastrous results.

One of Sondheim's most popular works, Into the Woods is a musically sophisticated show with the opportunity to feature actors adept at dark comedy.
